Pennyroyal Raspberry Farm

opens for the new season on Saturday 3rd December.

The Farm and Teahouse is open daily from 10am to 5pm for PYO berries and refreshments excepting Christmas Day The berries are all looking great and this year we have an even larger range of berries for everyone to pick.

There is nothing like a ripe berry straight from the bush - Willamette raspberries, Nootka raspberries, cultivated blackberries, boysenberries, loganberries, marionberries, youngberries, black currants, red currants, jostaberries,

gooseberries and strawberries.

The Teahouse continues its 27 year tradition of offering scones cooked to order with our own jams and light lunches cooked in house using farm grown and local produce. Our farm made preserves are also available at the teahouse.

Phone 52363238 or check

www.pennyroyalraspberry.com under "what's on" for up to date berry report.

Gosling Creek Winery

Gosling Creek Winery is open every week-end or by appointment on weekdays. Our sparkling pinot noir chardonnay and the traditional sparkling shiraz are in stock for special Christmas celebrations. We are open every day from Boxing Day onwards to the end of January.

You are welcome to use our barbecues or to bring a picnic – the view and the gardens are in peak summer form. Our light lunches, wine tastings and friendly atmosphere are just the thing for a lazy afternoon.

Quality local wine is an ideal Christmas present inspiration for hard-to-please or unexpected events, and gift bags eliminate the need for wrapping.

Our summer music season starts in January on Sundays with a Lazy Sunday Afternoon theme, and twilight sessions on Wednesday evenings as Hot Summer Nights. www.goslingcreek.com.au
