YOUR 2023-2024 GUIDE TO EXPLORING THE BOUNTY OF THE OTWAYS

HELLO THERE. ARE YOU WONDERING WHAT IS THE OTWAY HARVEST TRAIL IS?

Well, we are a collection of farmers and producers as well as hospitality and retail folk who offer a unique opportunity to experience the local flavour of the Otway region in south-west Victoria.

Out here, the rainforests of the Otway Ranges stretch their foothills out into the volcanic plain and this is where we work with the weather and soil in small scale production of food, fibre, drinks and flowers. And it's where our champions of those products use those locally grown products through cafes, stores and accommodation. Bringing the best of the Otways direct to you!

To be a part of Otway Harvest Trail, you should know that all these businesses have a set of values that include helping each other out, welcoming visitors, authentic production and keeping our businesses sustainable through the economic, social and environmental lenses.

So you might ask: "What's the best way to explore the Otways?" And we'd tell you to engage with one of these 58 businesses and get the local knowledge direct from them.

WELCOME FROM US ALL...

OTWAY HARVEST TRAIL PROMOTION

STEVE ROBINSON OWNER & MANAGER OF OTWAY PASTA COMPANY

I needed a fresh, quick, great tasting wholesome food that my family would love— and that's how it started...

I started making pasta at home 10 years ago, my family loved it and so did I. I used only the freshest "true" free-range eggs and the best flour I could get my hands on.

I began making big batches and freezing it so I had a quick dinner option when things were busy. Then one day my beloved (yet small) pasta machine decided it had had enough. Searching on the internet, I found a small 40-year-old commercial machine for sale. I had to have it.

I got it home and started churning out more pasta than I would ever need. I gave lots away, everyone loved it. They said "you should sell this stuff, it's great!" I said "No way, I don't have time for that." Famous last words...

Here we are 10 years on, supplying pasta for you and your family to enjoy and I love it!

Purchasing our pasta means I can continue to indulge my passion for creating great-tasting, nutritious, quick to prepare food.

OTWAY HARVEST TRAIL PROMOTION

IRREWARRA

JOHN & BRONWYNNE CALVERT

OWNERS & FOUNDERS OF IRREWARRA BAKERY

We started our business from...
a love of good bread, wine and
real food.

We love what we do because...
we create artisan food staples
that Australians eat every day –
sourdough, award-winning Anzac
biscuits, granola and wine using
traditional methods and simple,
natural ingredients.

The Otways is a beautiful place
to live and work because... it's
a place of incredible natural
beauty: the forest, the Great
Ocean Road and vast volcanic
Western plains.

We are most proud that...
everything we produce is an
expression of our commitment
to quality and craftsmanship. We
instil this in our wonderful staff
and believe this is reflected in the
taste of Irrewarra products.

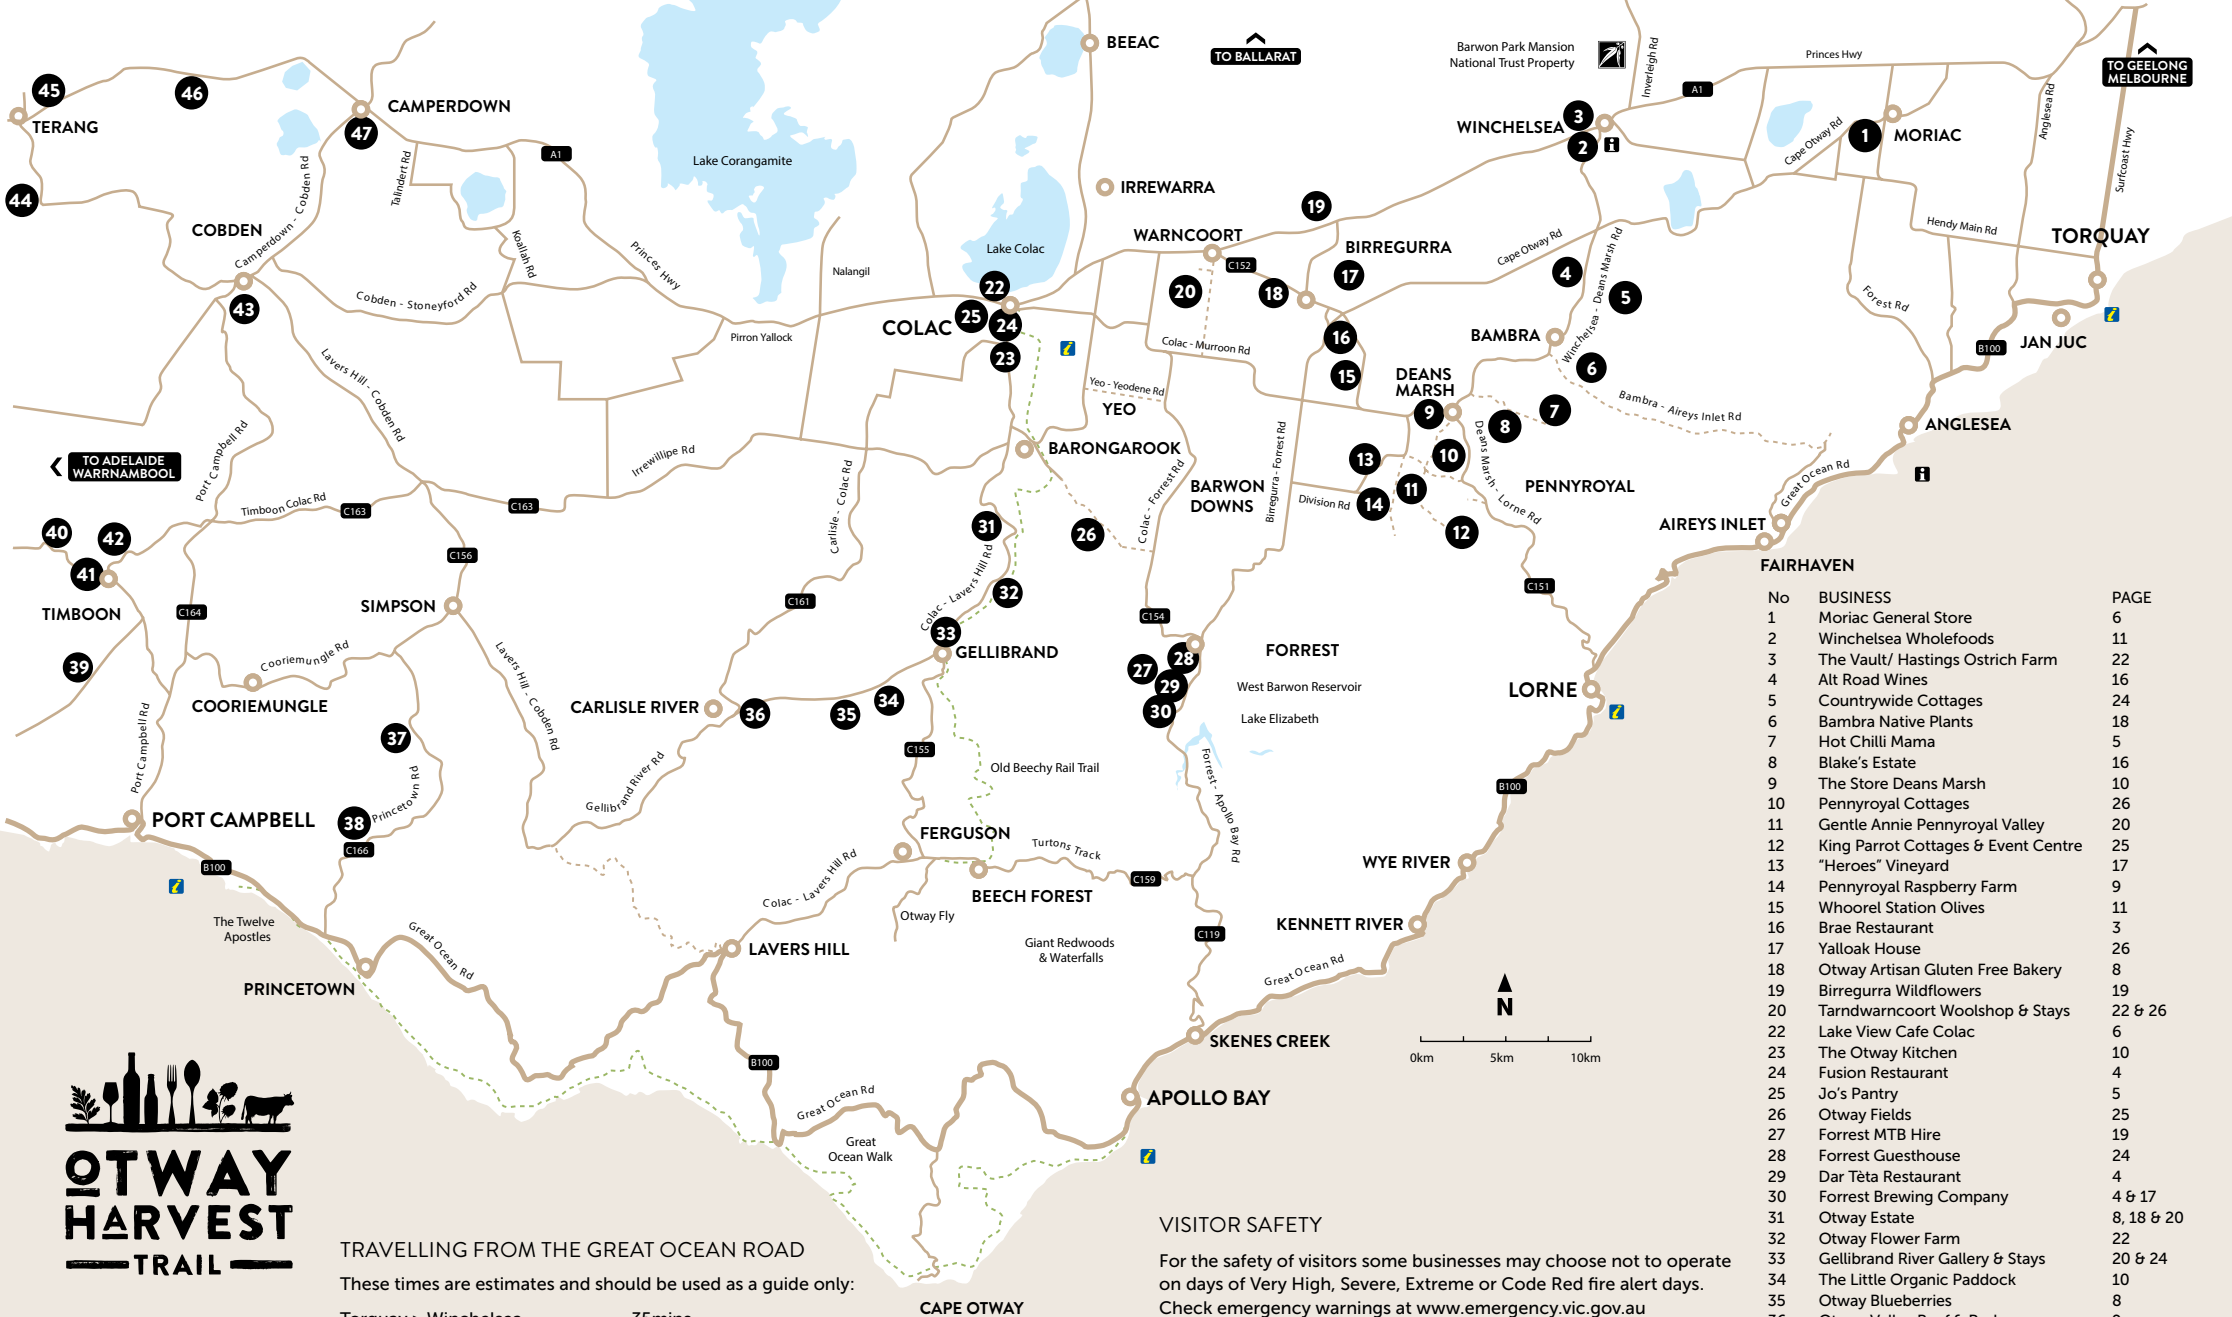

Our favourite product is... our
Sesame Wholewheat loaf – it is
divine toasted or makes a great
Aussie salad sandwich!

On our days off, we love to go
to... The Queen Victoria Market
in Melbourne or our property
"Doongara" on the Woody
Yaloak River.

We're excited about the future
of our business because...
consumers are now so interested
in good food, made locally with
real Australian ingredients.
