YOUR GUIDE TO EXPLORING THE BOUNTY OF THE OTWAYS, VICTORIA

# EAT | DRINK | EXPLORE | STAY

Welcome to the Otway Harvest Trail, where we celebrate the bounty of the Otways. Just a hop inland from the Great Ocean Road, this area is bursting with exceptional food and wine, local festivals, culture and outdoor experiences. The region is renowned for growing quality produce and has a thriving beef, sheep and dairy industry.

Spend a day, stay a week! Taste your way through the Otways, walk the forests, get up close with platypus on a tranquil lake. Wind your way around green pastures and explore forests with tall redwoods and crystal clear waterfalls, stopping at villages along the way. Meet the makers and producers then relax and unwind in one of our accommodation venues.

Feast at exceptional restaurants where the best produce of the region is served and the provenance of the food on your plate is all-important. Wander around cellar doors, sip award winning cool climate wines and meet the winemakers. Discover amazing locally brewed beers, distilled gins and whiskies.

Visit an historic homestead where the wool in the shop comes from the sheep in the paddock. Whatever you choose to do when you visit the Otways, you'll be inspired by the stories you hear and the people you meet.
